THE BLACK KNIGHT'S MASTER, MERLYN THE MYSTIC, HAS RECOVERED THE BODY OF CAPTAIN BRITAIN FROM MANDRAC, LORD OF THE SLAIN... AND NOW HOPES TO RESTORE LIFE TO THE FALLEN HERO...

DEEP IN THOUGHT, THE BLACK KNIGHT STOOD WATCHING HIS MASTER.

HOOR AFTER HOOR HE SITS... NOT MOVING, NOT SPEAKING... AS MUCH LIKE A CORPSE AS THE BODY HE HOPES TO REVIVE.

BUT WAIT... HE MOVES!

SILENTLY, SLOWLY, THE GREAT MAGE MOVED A HAND TO THE CAPTAIN'S BROW...

ALL HIS THOUGHTS, HIS ENERGY, WAS NOW DIRECTED INWARDS... CONTEMPLING A QUEST OF AN ENTIRELY DIFFERENT NATURE TO THAT OF HIS CHAMPION...

NOW TO PIERCE THE MIST OF ILLUSION... TO GO BEYOND THE VEIL OF EARTHLY TIME AND SPACE...

INTO THE GREAT VOID... WHERE A LOST SOUL IS WANDERING...

...TO ENTER THE VOID, AND BECOME ONE WITH THE GREAT DEPTHS OF SPACE...

IT IS DONE! MY MIND HAS MADE THE PERILOUS CROSSING!

BUT EVEN GREATER DANGERS AWAIT... IF I AM TO FIND THE ONE I SEEK!

SO LET THE SEARCH COMMENCE... THERE IS NO TIME TO BE LOST!

AT THAT MOMENT,
BACK IN OTHER-
WORLD...

NOW MY VIGIL BEGINS.
I MUST DO AS MY MASTER
INSTRUCTED... GUARD THESE
BODIES WITH MY LIFE!

NONE MAY TOUCH
THEM...NONE MAY
EVEN APPROACH
THEM...FOR THIS
HOUR IS CRITICAL TO
THE SUCCESS OF MERLYN'S
ENDEAVOUR!

HE SITS SO STILL...
STILL AS DEATH, COLD
AND UNMOVING...
DESPITE THE FIRE'S
WARMTH...

A CHILL STRIKES
ME TOO...LIKE A
PREMONITION OF
DANGER...

MOONDOG! SO YOU

MASTER'S
SIDE.

MOONDOG THE ELF AND HIS
COMPANION, BUCKTHORN,

WISHES...

THEY HAD COME A LONG
WAY TOGETHER...AND

MMMGGGHHH!

NEXT WEEK—RE-ENTER THE DARK DRUID: MODRED THE EVIL!

HULK TALK!

HULK TALK, MARVEL COMICS, 205-211 KENTISH TOWN ROAD,
LONDON NWS.

Dear Marvel,

Hulk Comic is just what I've been waiting for! I reached this opinion even after the first three action-packed issues—and when I say "action-packed", I mean it! You certainly have crammed an awful lot into one mag!

Best of all was your free gifts with issues one and two. I've always said that free gifts should be relevant to the mag, and you've certainly achieved this.

Having short stories and long continuous ones is a good idea too, giving the best of both worlds. Night-Raven, along with all the other features, is good, but old greenskin is the star!

One question: when Ant-Man first changed, surely he wasn't wearing clothes of unstable molecules. So how did his ordinary clothes fit him at ant-size?

Do I qualify for an ant-size no-prize?

Stephen Wilkinson, Sunderland.

Sorry, Stephen, no no-prize, ant-size or othersizewise. In the same way the formula shrunk the chair's wood, nails, canvas and all, so did it shrink everything within range. Could be an interesting angle for a rather bizarre story though if Henry (Ant-Man) Pym's foot was ever out of range. Imagine a half-inch hero with a ten-inch foot!

Dear Dez,

Regarding your Hulk Comic: FANTASTIC! I am an old reader of Marvel Comics, and I am glad this new one measures up to the standards expected. Your designs are excellent and the stories are okay, too.

I'm glad that, unlike the TV Hulk, yours talks, but I hope Hulk gets a few more pages to shout across!

Nick Fury is a familiar face, welcome back. The stories are very good.

Ant-Man provides a bit of comic-relief and although his invention could be used in war, I'm glad to see Pym keep it to himself, for good.

Black Knight is something else! The idea of a medieval hero in the present is something unique in comicdom. The artwork is excellent, and the idea of a black pegasus is a nice twist.

I find Night-Raven rather sinister. But this makes his adventures exciting, especially his brand-mark.

John Orchard, Southampton.

Thanks for your nice words, John. Although you've puzzled us all with your comment about Ant-Man providing comic relief!

Dear Marvel,

Even though the last few issues have got better, Hulk Comic is still not as good as what it could/should be.

For instance, the Hulk story should be given at least four to five pages. I would also like to see old greenskin fighting super-villains, instead of people like Dr. Scarebabe—who has no special powers, so he can't defeat Hulk. That way, you would have a much-improved story.

I also think that Captain Britain should appear in his own story, not just in the Black Knight strip, as he is one of my favourite Marvel characters.

Night-Raven is my favourite story of all. I think it was a great idea to set the theme in the 1930s, because if it were nowadays, I don't think Night-Raven could stand up against such villains as Doctor Doom, who has special powers.

My least favourite stories are Ant-Man, Eternals and Nick Fury, who I don't think should be given as much space.

But apart from these dis-

approvals, Hulk Comic is still one of my favourite comics.

An Avid Reader.

There you go. Just to show we don't only print complimentary letters, we print criticisms (—when we actually get any!). Even ones from anonymous Marvel fans.

Dear Marvel Armadillos,

At first I thought Hulk Comic was Marvel Comic, but when I looked inside I knew I was wrong.

The Incredible Hulk stories are good, but why don't you introduce some of the old villains to the new Marvelites. Some old favourites like Abomination, Wendigo and the Devastator.

The Black Knight is one of my favourite characters in all of Marvel-dom, but I read a story in an American Marvel (Triple Action 47) that Black Knight was one of the new Masters of Evil. So, if it's the same person, is BK a hero or a villain?

Ant-Man is excellent. Keep up the good work.

The Night-Raven is excellent. His stories never fail to amaze me!

As I write this letter, the Watcher's tale ("What If the Hulk had Bruce Banner's Brain") has just ended. This story, like the rest of the comic, was very good. I always look forward to the Tales of the Watcher stories in *Star Wars Weekly*, so I was pleased to see him in Hulk Comic.

M. Parker, Leeds.

Thanks for your ideas and suggestions. Yes, Black Knight is the same character in Hulk Comic as the one who appeared in various old Marvel titles. As stated before on this page, his full origin—and that of Captain Britain—will be revealed soon!

AT THE MERCY of a MYTHICAL MONSTER!

ANT-MAN!

WHAT ARE WE GOING TO DO? WE CAN'T FIGHT THE CYCLOPS! HE'S TOO HUGE! TOO HUGE! WE'RE JUST MICROSCOPIC SPECKS TO HIM!

IF HE TIGHTENS HIS FINGERS THE SLIGHTEST BIT, WE'LL CRUSH US LIKE GRAINS OF POWDER!

THE VEIL OF TIME OPENS, AND FROM THE MYTHOLOGY OF THE DIM PAST IT COMES TO STALK THE EARTH... THE AWESOME CYCLOPS, THE ONE-EYED HUMAN MONSTER OF ANCIENT GREECE! AGAINST THIS MENACE TO MANKIND AND MODERN CIVILIZATION THERE STANDS ONLY ANT-MAN AND HIS FEMINE PARTNER, THE WASP! BUT EVEN THEIR WEAPONS, THEIR DIMINUTIVE SIZE, ARE INADEQUATE THIS TIME AGAINST THE UNFEELING VASTNESS OF THE CYCLOPS! SO HUGE IS THIS LEGENDARY CREATURE THAT EVEN NORMAL-SIZED HUMANS ARE AS ANTS TO HIM, AND ALL THE WEAPONS OF MANKIND CANNOT MATCH HIS MONSTROUS POWER! HAVE ANT-MAN AND THE WASP AT LAST MET AN OPPONENT TOO HUGE FOR THEM TO DEFEAT?

ON HOLIDAY IN THE GREEK ISLANDS, THE ANT-MAN AND THE WASP HAVE STUMBLED UPON A LIVING MYTH... THE CYCLOPS! NEARLY UNCONTROLLABLE BY EARTHEN REINS BEHIND, THE ONE-EYED MONSTER HAS CAPTURED LOCAL CHILDREN FOR HIS MONSTERS TO STUDY. BUT NOW THEIR ATTENTION HAS BEEN DIVERTED BY OUR TINY CRIME FIGHTERS.

I DON'T SEE THE INSECTS... NEVER MIND! YOU WILL ALL JOIN ME IN DIRECTING BRAIN IMPULSES TO THE CYCLOPS! WE WILL OBJECT HIM TO DESTROY THE IMPRISONED EARTHEN! WE HAVE NO FURTHER USE FOR THEM!

NOW I KNOW WHY THE CYCLOPS DON'T SEE US AND WHY HE MOVED SO AWKWARDLY! HE'S JUST A ROBOT, BUILT BY THOSE ALIENS TO FRIGHTEN SHIPS AWAY WHILE THEY INVESTIGATE OUR PLANET. THEY MUST KNOW ALL ABOUT OUR CULTURE TO HAVE KNOWN MYTHOLOGY AND...

WHILE YOU'RE HERE, YOU'RE JUST A ROBOT. BUILT BY THOSE ALIENS TO FRIGHTEN SHIPS AWAY WHILE THEY INVESTIGATE OUR PLANET. THEY MUST KNOW ALL ABOUT OUR CULTURE TO HAVE KNOWN MYTHOLOGY AND...

WAIT! WASP, DON'T! SHE DOESN'T NEAR HE... SHE PRETENDS SHE DOESN'T!

SLOWLY, THE ONE-EYED MECHANICAL BEHEMOTH WALKS TOWARDS THE STOCKADE!

NO TIME TO GO AFTER THE WASP NOW! I'VE GOT TO FIND THE BRAIN CENTER OF THAT MIND-SIZED MECHANICAL MAN AND SHUT IT OFF BEFORE IT ORDS THE ALIENS.

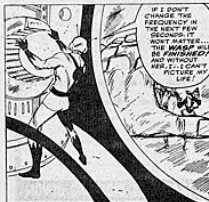

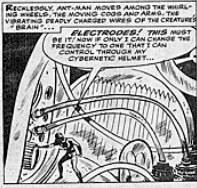

THE MOUTH... IT KEEPS OPENING AND CLOSING ITS MOUTH! I CAN GET IN THROUGH THERE... IF I'M LUCKY!

THANKS, LITTLE FRIENDS! YOU CAN GO NOW! IT'S UP TO ME TO GET FROM HERE ON IN...

I'm always looking out to see if children use the Green Cross code. Just watch Ben...

It's the lunchtime cup Final. The score is 3 all but Ben kicks too hard and ...

Thud

Ben rushes out to get the ball but suddenly he remembers...

Use the Green Cross code

"First find a safe place to cross - away from parked cars."

Safe

Well done!

Stop near the kerb but not right on the edge.

Look all round-

-and listen. If traffic is coming let it pass. Look all round again.

Look

Listen

When there is no traffic near walk straight across.

- looking and listening all the time.

Thank goodness you remembered to Stop, look, listen and think.

Wow, look! It's Green Cross Man! What about a game, Green Cross?

Use the **Green Cross** code!

Remember, Green Cross Man won't be there when you cross the road!
